

INTERNATIONAL INVOLVEMENT OF SPM

Jorge Buescu

ECMTB 2018

ECMTB 2018

LISBON

European Conference on Mathematical and Theoretical Biology: EMS-ESMTB joint conference, co-organized by SPM

- ~600 participants expected
- Year of Mathematical Biology 2018
- Lisbon, 23-27 July
- Registration now open!

7th Iberian Mathematical Meeting

- Joint biennial meeting SPM-RSME, this year organized by SPM
- @Univ. Évora, 12-14 October 2018
- 3 scientific areas:
 - Harmonic and Complex Analysis
 - Mathematical Biology (YMB2018)
 - Mathematics of Big Data
- Registration to open soon...

International Day of Mathematics

- SPM is collaborating with IMU (Christiane Rousseau) and, through the Portuguese Committee of UNESCO, lobbying for the declaration of an

INTERNATIONAL DAY OF MATHEMATICS

on March 14 (Pi Day).

National societies who want to join in the effort are most welcome! jbuescu@gmail.com

International involvement - miscellanea

- SPM and RSME are jointly organizing the 23rd Ibero-American Mathematical Olympiad, Sept. 2018 (1st time the event has a joint organization)
- ECMI Council to be held in Portugal (October 2018)
- EU-MATHS-IN board meeting to be held in Portugal (October 2018)
- VP of SPM (Adérito Araújo) elected President of ECMI
- VP of SPM (Fabio Chalub) elected for the AMC of EMS
